

Ok, here's how it works. First, plan a bowling event. Have it begin around noon or 12:30 p.m. with an actual start time thirty minutes later, around 1 p.m. Inevitably some folks will show up late.

Charge each team a set amount, and determine a per bowler price, like \$10 per bowler or \$50 per team of five. That's the going rate and includes shoe rental. Each team bowls three games.

81st Services Engraving Shop can help with those awards. Stop in and check out their selection. They're located on G Street inside the Arts & Crafts Center behind the Meadows Drive tennis courts. For more information call 377-2821.

And how about this tip:

Run a "Split the Pot" challenge every game. Sell tickets for 50¢ each or 3/\$1. Draw a ticket each game. The person with the matching ticket has to get a natural strike on the next ball splits the pot. This can earn an extra \$100 or more!

One last thing:

Its always good to have a couple of helpers who are not bowling.
